BUDGET MESSAGE

Dear Citizen:

The following Budget is presented for your review as required by the statutes of the State of New Jersey. Prior to the actual Budget, we have included an analysis of the proposed tax levy as compared to the actual tax levy for the year 2010.

The actual Budget is presented in such a way that you may easily distinguish the prior years budget and actual figures in comparison to this years projection. The revenues reflect an decrease over last years budget of $36,610.40. Also, this years appropriations reflect an increase of $72,865.51 over last years finally adopted budget.

I. Tax Levy Calculation

As of the date of introduction of this budget, other tax requirements have been not determined. Therefore, the 2010 tax levies are subject to revision when final certification is made by the County Board of Taxation.

II. Budget Hearing

On June 28, 2010 at 7:30 PM in the Municipal Building, a hearing on the 2010 Municipal Budget will be held. The public has the right and is encouraged to provide oral and written comments, ask questions and otherwise participate in the budget adoption process. Information on the 2010 Budget is available to the public for their inspection by contacting: Linda Zengel at (609) 397-3240.

NOTE:

MANDATORY MINIMUM BUDGET MESSAGE MUST INCLUDE A SUMMARY OF:

1. HOW THE LEVY AND APPROPRIATION 'CAP' WAS CALCULATED. (Explain in words what the "CAPS" mean and show the figures.)
2. A SUMMARY BY FUNCTION OF THE APPROPRIATIONS THAT ARE SPREAD AMONG MORE THAN ONE OFFICIAL LINE ITEM (e.g. if Police S&W appears in the regular section and also under "Operations Excluded from "CAPS" section, combine the figures for purposes of citizen understanding.)

III. Appropriation "CAPS"

All municipalities within the State of New Jersey prepare their annual budgets based on what is commonly referred to as the "CAP" law. This law places restrictions on the amount of increases allowed for operations on an annual basis. For the year 2010 the allowed percentage increase is -0-%, which is the "Implicit Price Deflator". The municipality is also allowed to increase their budgets by an additional 3.5% if an ordinance is passed by the governing body. The governing body has elected to increased the budget CAP base by 3.5% for 2010.

The actual calculation is somewhat complex, but in general, it works as follows. Starting with the figure in the 2009 budget for Total General Appropriations, the following 2009 budget figures are subtracted; reserve for uncollected taxes, debt service (including school debt services if the municipal government pays it), state and federal aid, cash deficit (if any), emergency appropriations up to 3.0%. Take the resulting figure and multiply it by .035 and this gives you the basic CAP, or the amount of appropriations increase allowed over the 2009 Total General Appropriations.

In addition to the increase allowed above, other increases are allowed. Increases funded by increased valuations from new construction or improvements, from new or increased service fees, or from sale of municipal assets, and expenditures mandated by the state and federal government after January 1, 1993 and amounts required to be paid pursuant to any contract with respect to use, services, or provision of any project, facility or public improvement, for water, sewer, solid waste, parking or any similar purpose, or payment on account of debt service therefore, between municipality and any other municipality, county, school or other district, agency, authority, commission, instrumentality, public corporation, body corporate and politic or political subdivision of the State. Appropriations for the item subtracted in the above paragraph may be set at any necessary level and not subject to the the CAP.

The actual CAPS for this municipality will be reviewed and approved by the Division of Local Government Services in the State Department of Community Affairs, but the calculation upon which this budget was prepared is as follow:

Total Appropriations for 2009		$ 3,772,698.00

CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to NJAC 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

A plan for all capital expenditures for the current fiscal year.

If no Capital Budget is included, check the reason why:

- [ ] No bond ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM

A multi-year list of planned capital projects including the current year.

Check appropriate box for number of years covered, including current year:

- [X] 3 years (Population under 10,000)
- [ ] 6 years (Over 10,000 and all county governments)
- [ ] ____years (Exceeding minimum time period)
