Re: Docket Number CP15-558 Proposed PennEast Pipeline Project
Delaware Township, Hunterdon County, New Jersey

Dear Chairman Bay:

The Delaware Township Committee would like to inform you that in its December 14, 2015 response to FERC's November 24th Environmental Information Request, PennEast failed to respond correctly to Data Request 38. Specifically, PennEast has not contacted the relevant historical organizations as it claimed in its letter dated December 14, 2015.

The Delaware Township Committee would like the Federal Energy Regulatory Commission to ensure that PennEast completes thoroughly every request for information by FERC and that it do so in a timely manner. In addition, the Committee requests that PennEast provide to us the date by which they respond.

Sincerely,

Susan Lockwood, Mayor
