

Learn why the proposed 36" natural gas pipeline is bad for Delaware Township and the surrounding community and how you can make your voice heard on this project

Current Status of the PennEast Project & the Next Steps to Challenge It

The various non-profits currently fighting PennEast have put together an information session right here in Hunterdon County at the Library Complex. Below is the agenda for the evening. The presenters are all great speakers to keep you "fired up" and feeling hopeful! The event is to keep everyone informed about what is at stake, what is next in this fight, and what you can do. Please pass to your neighbors and friends.
