**EXPLANATORY STATEMENT -(Continued)  
BUDGET MESSAGE**

**III. Appropriation "CAPS"**

All municipalities within the State of New Jersey prepare their annual budgets based on what is commonly referred to as the "CAP" law. This law places restrictions on the amount of increases allowed for operations on an annual basis. For the year 2011 the allowed percentage increase is 2.5%, which is the "Implicit Price Deflator". The municipality is also allowed to increase their budgets by an additional 3.5% if an ordinance is passed by the governing body. The governing body has elected to increase the budget CAP base by 3.5% for 2011.

The actual calculation is somewhat complex, but in general, it works as follows. Starting with the figure in the 2010 budget for Total General Appropriations, the following 2010 budget figures are subtracted; reserve for uncollected taxes, debt service (including school debt services if the municipal government pays it), state and federal aid, cash deficit (if any), emergency appropriations up to 3.0%. Take the resulting figure and multiply it by .035 and this gives you the basic CAP, or the amount of appropriations increase allowed over the 2010 Total General Appropriations.

In addition to the increase allowed above, other increases are allowed. Increases funded by increased valuations from new construction or improvements, from new or increased service fees, or from sale of municipal assets, and expenditures mandated by the state and federal government after January 1, 1993 and amounts required to be paid pursuant to any contract with respect to use, services, or provision of any project, facility or public improvement, for water, sewer, solid waste, parking or any similar purpose, or payment on account of debt service therefore, between municipality and any other municipality, county, school or other district, agency, authority, commission, instrumentality, public corporation, body corporate and politic or political subdivision of the State. Appropriations for the item subtracted in the above paragraph may be set at any necessary level and not subject to the the CAP.

The actual CAPS for this municipality will be reviewed and approved by the Division of Local Government Services in the State Department of Community Affairs, but the calculation upon which this budget was prepared is as follow:

Total Appropriations for 2010	\$ 3,845,564.00
Less Exceptions & Adjustments:	
Capital Appropriations	\$ 282,050.00
Public- Private Offsets	30,453.00

Amount Allowed Due to New Construction	<u>12,210.00</u>
Allowable Operating Appropriations Within "CAP"	3,225,405.00
