**PUBLIC COMMENT – Agenda Items Only**

Valerie Tucci asked for an explanation of Resolution 23-147, asking if it was a true transcription.

Donna DiMatteo, spoke about the potential noise from pickleball. Commented that they can hear park sounds already, asked for sound barrier. Also mentioned use of pickleball courts by non-residents and the increased noise, effect on availability of use for residents and security issues.

Jan Weber suggested that neighbors be included in any meetings among DTAA, Rec & Shade Tree Commission and the Park Planner. Ms. Lockwood informed the group that the agreement with the Park Planner includes several public meetings.

Judy Allen asked about the availability of Ordinances on the website.

Joe Wiley wanted to clarify if pickleball on the agenda meant they had been approved. Mayor Herman clarified that it is on the agenda because the Township Committee needs to decide if pickleball courts should be included in the bid request along with repairing the tennis court.

**TOWNSHIP COMMITTEE LIAISON REPORTS**

Mr. Vocke had none.

Ms. Lockwood reported that the Stormwater Committee met and wants to work with neighbors in Stockton regarding 523. There is interest from residents in Rosemont and the possibility to work together. Funding is an issue. Mayor Herman suggested state funding. Ms. Lockwood acknowledged that Stormwater grant money cannot be used due to

requirements. Ms. Lockwood also mentioned the Environmental Commission's "Gardening with Nature" talk. She reported that at the Seniors' group meeting, the topic of speeding was discussed.

Mr. Waltman spoke with Ms. Khan regarding the Raven Rock culvert project. They are currently awaiting bids for pricing for piping. Work is expected to commence in the next month or two, completed by end of August/early September.

Mayor Herman thanked all those involved with the Great Crate Race. Provided an update regarding the Post Office: engineer took measurements and pictures to begin planning location at Firehouse. Reiterated request for temporary relief in the form of a mailbox or temporary trailer. He reported that the Covered Bridge is open on one side and stated that he'd like to ask Ms. Khan for a temporary traffic light. He confirmed that he had sent a letter to the County regarding the bridge on Dunkard Church Rd. Ms. Lockwood responded that they ignored our letter and are moving forward with proposed replacement. He reminded all that the Park Planner will be at a public meeting in September or October.

**APPROVAL OF MEETING MINUTES**

Mayor Herman asked for a motion to approve the April 18, 2023 Regular & Executive Session minutes. Motion was made by Mr. Waltman and seconded by Ms. Lockwood. Mayor Herman asked for comments. **OLD BUSINESS**

Pickleball Courts at Dilts – Mayor Herman provided an update that as the Township Engineer prepares bid specs, he will ask for combined tennis and pickleball courts. It is not feasible to add pickleball on the basketball court. The Township Committee agreed to add pickleball lines and sound prevention measures to the tennis repair project.

Rene Mortara stated that pickleball is a positive thing for his community. He plays in other towns and they are welcoming. All that's needed is lines and a net on wheels. Sound is almost the same as tennis.

Robert Billmers added that you can't see any houses from the tennis courts. The closest house on Sandy Ridge Rd is 550 yards (or 5 football fields) away. It's approximately 475 yards to Buchanan Rd. Noise is comparable to other sports. He plans to invite friends to play and hoped they'd be welcome.

Chuck Cline agreed with Mr. Billmers, but asked who has priority, pickleball or tennis? Mayor Herman responded there can 2 pickleball courts per tennis court, so both can play.

Robert Billmers mentioned the need for a barrier to separate the courts to contain balls.

Robert Weber is a neighbor of the park and can hear softballs hitting bats.

Jan Weber reported hearing games and cheering. Pickleball is very popular and may be going from morning until night.

Brian Sulewski asked if the current tennis court location will remain. Mayor Herman indicated that early discussions with the Engineer suggest replacement not repair of tennis courts. Mr. Sulewski asked, would we build more pickleball courts to accommodate the popularity or add another court? Mayor Herman responded that that is not in the plan and he would defer to the Park Planner.

Ravenna Taylor stated that she is not against pickleball but would like to advocate for discussion as a community. Don't dismiss neighbors' concerns but have pickleball to serve the community.

Judy Allen supports pickleball. And asked if a test could be done with neighbors outside to check for sound. Could sound abatement be more than a wall, perhaps more plantings?

Steve Wilbur asked is there any sound prevention besides trees now? Are we discussing adding 2 or 4 courts? Mayor Herman responded at most 4. Mr. Wilbur lives near the park and could hear people playing at the park when he was outside at 7:45 pm-8:00 pm.

Brant Switzler, tennis player, has used the courts extensively. He offered that he hits tennis balls at 70 decibels (59 is avg. for pickleball), has brought tennis ball machines, music, etc. and has never received feedback regarding noise. He further stated that the idea that pickleball is noisier than his activities seems unfounded.

Jes Stahl commented that if you live near a park, there are things you're going to hear. She stated activity will occur. She suggested the maybe you shouldn't live near a park - if you're against pickleball, what's next, other sports?

Jan Webber added that her concern is about the noise and about sound abatement. She stated she is thrilled to hear the Township is exploring sound abatement.

Steve Wilbur added that he loves the noise, has lived near the park for 11 years, but the pace and high-pitched sound is concerning.

Ravenna Taylor highlighted that she doesn't hear people against it, just concerned about noise. Stating it's not fair to dismiss their concerns. She added the availability of news articles about the sound.

Jes Stahl responded that the NY Times article referred to noise 100 ft. from the court, we're at 1500 ft.

Mayor Herman expressed that there is no merit to the fact that we're disregarding public comment and concerns of those who live near the park. We have heard from neighbors and taken their feedback. He added that he did some

unscientific noise testing at Dilts and Summer Road Park (Readington). He stated that our park is a public park. We don't close our parks to non-residents visiting for other activities, so it wouldn't be fair to have a greater concern for safety due to the addition of pickleball. He reiterated that one of our main concerns is sound control. He reaffirmed that everybody is being heard and every concern is being noted and acted on. He concluded that the courts will be done the right way but can't guarantee that you won't hear it.

Township Attorney Tauriello added that to limit the park to only residents would be illegal.

Mr. Waltman made the point that that if we are asking for bid specs from the engineer, we need to discuss sound mitigation immediately.

Ms. Lockwood added that set hours could help, not just dawn to dusk. To which Mr. Waltman asked how that would be managed. Mayor Herman suggested that we follow up with Park Planner on that too.

#### **NEW BUSINESS**

Friends of Delaware Township – Tony Szwed spoke about this group's desire to put benches on the Green to honor Jim McCue and Ginny Hook. Ruth Mummey added that the Green was chosen due to proximity to their homes and the feed store. Friends of Delaware Township is a 501(c) (3) tax exempt organization, so they will be accepting donations to fund proposed benches. The group agreed that benches would be chosen to match the existing bench, if available, and Steve Smotrich offered that wording would be approved by the Township Committee in advance and that money would be set aside for maintenance.

Mayor Herman made a motion to approve (pending agreement on the benches and locations) the proposed benches for Jim McCue and Ginny Hook on the Village Green. Mr. Vocke seconded. The motion was passed by voice vote, except Mr. Walman who abstained and Mr. Bower who was absent.

Discussion of the municipal parking lot signage/stripping – the parking lot has a seepage issue and becomes icy. DPW will install a drain and the lot will be seal coated. It was also suggested that the entrance/exit be reversed to allow drivers to use the drop box. Mr. Waltman asked about the stripping in front of the General Store. The County Engineer agreed to let Delaware Township put parking spots in front. Township Engineer and Police Chief have okayed the change in entrance/exit.

#### **OPEN FOR PUBLIC COMMENT**

Jan Weber brought up the topic of speeding, particularly on Rittenhouse. She reiterated that Judy Allen suggested a solar radar speed sign.

Joe Wiley applauded the Friends of Delaware Township Group for planning activities for open space. Suggested that a master plan should be in place for the Village Green as new businesses in town may bring more activity to that area traffic.

Chuck Cline stated the DPW is doing an excellent job of mowing along the roads (Reading Rd, Locktown-Sergeantsville Rd). He expressed that he hopes it will continue.

Tim Soltis asked if there was any way, besides Facebook, to notify residents of emergency events, particularly, more localized events such as water main breaks. Mayor Herman said we have reverse 911, but that is Township wide and used for major emergencies. Committee will follow up with the police department.

Jes Stahl commented that during the Recreation Commission meeting they discussed the issue of smoking and vaping (tobacco & cannabis) at Dilts. Additionally, they are finding discarded cartridges. Can we make the park a smoke-free zone? Township Attorney Tauriello will check, but if allowed, it will be done. Ms. Stahl also inquired about the new bulletin board at Dilts. Asked for criteria for posting and access. Mayor Herman indicated that approval would be needed from the Township and the Clerk, but he confirmed that DTAA & Recreation Commission don't need approval for posting and should be given the access code.

Rene Mortara commented that Flemington Borough calls when there is a water main break. Mayor Herman explained that we do have a system for notification and it should be used along with the website and Facebook. Ms. McDaniel added that Sgt. Illes should be able to help.

**TOWNSHIP COMMITTEE COMMENTS**

Mayor Herman asked for Committee comments.

Mr. Vocke had none.

Ms. Lockwood indicated that copy for the next newsletter can be submitted until 7/28/23.

Mr. Waltman expanded upon pickleball commentary, adding he thinks there will be a way to make everyone happy and we'll get the right sound mitigation in place.

Mayor Herman has proclamation for the August meeting for an Eagle Scout, a retiring employee and the DTS Superintendent. He also mentioned that residents have expressed concerns about the intersection of County Route 523 & NJ Route 29. He will talk to the Mayor of Stockton to see if there is anything they can do. Additionally, asked if allowed to appoint a member to the Planning Board. Township Attorney Tauriello confirmed.

Mayor Herman made a motion to appoint Patrick Miller as Alternate II to the Planning Board, which was seconded by Mr. Waltman. The motion was approved by voice vote, except for Mr. Bower who was absent.

**EXECUTIVE SESSION:** Approval of **Resolution 23-151:** To enter into Executive Session for the purpose of discussing Personnel Matters, Contracts, Litigations and subjects falling under Attorney-Client Privilege. *The discussion is expected to take approximately 30 minutes. Action may be taken.*

The motion to move into Executive Session was made by Mr. Waltman, seconded by Ms. Lockwood. The motion was approved by voice vote, except for Mr. Bower who was absent.
