**Sponsored by the New Jersey Tree Recovery campaign**  
TREE SPECIES IDENTIFIED UPON NOTIFICATION FROM THE STATE

Protocol for Distributing Trees

1. EC members will be wearing masks/gloves at stations established per number of different species.
2. Vehicles will enter the Township Garage Parking Lot via the usual marked entrance. Drivers and passengers will stay in their vehicles. At the entrance, one EC member will take names/addresses of free tree recipients; submit info request below.
3. Vehicles move along a single line to pick up their trees of choice – two (2) bundles per vehicle, *not* two bundles of each species. Bundles will be handed to the resident by EC members. Again, drivers and passengers should remain in their vehicles.
4. Vehicles exit through the usual marked exit. One EC member will be stationed at the exit to keep other vehicles from entering the wrong way.

(cut here, please, complete and return – thanks!)
