

Now that the emerald ash borer has killed my ash trees,
what's a good replacement??

Join the
Delaware Township Environmental Commission
and the Delaware Shade Tree Commission
for a talk on what trees will be good replacements.

Wednesday, March 16, 2022, 7:30 p.m.
Town Hall Meeting Room, Sergeantsville, NJ

Meet AR Willey, a local arborist, to learn what should work in our Township.

AR Willey received a Bachelor's degree in Plant Science from Cook College, Rutgers University. He is the co-owner of Stony Brook Garden Center, nursery and landscaping. He was with the Hunterdon County Shade Tree Commission from 1987 to 2018. He has been on the Delaware Township Shade Tree Commission and has been Town Arborist for more years than he can remember!

AR and Kris Willey moved to Delaware in 1985 and raised four children who all went to Delaware Township School.
